SKILLS

I have worked in the film industry for two years in the Grip and Electrical department. I have a knowledge of types of equipment, how to maintain, fix, and use industry standard equipment. I am skilled in operating large machinery and power tools. I am dedicated to safety. I am proficient with technology and programs such as Word, Excel, etc. I have a very good work ethic, I learn quickly, I am a good problem solver, and I have excellent people skills.
