

Brett Ludlow

Summary

I am an avid problem solver. I love food. For over 20 years I have been building and supporting successful teams. I love being able to serve and bring a positive energy to work daily. I am a great cook, and I always make great food.

Safety and Food Temperatures

- I have a good understanding of food temperatures
- I know proper sanitization techniques, how to properly wash dishes and generally how to keep things clean
- I am always working to identify when my crew members need water.

Leadership

- I have run multiple teams in my career, including in several restaurants. I am experienced at leading through example.
- I am always willing to follow. Part of great leadership is knowing that sometimes you help your team best by supporting your leader.
- I can work with anyone.

Film Experience

- I know the general working of sets and have a lot of experience working on different sets.

Union Affiliation

I am a proud member of IATSE Local 484
