Learned fundamentals of field shoots, client relations, BG/Cast paperwork, releases, walkie etiquette. Handled errands and confidential matters for production and talent. Crafty experience. Excellent at sourcing, planning, prioritizing, and organizing.

PROFILE

I am a creative old soul, I love nostalgia, history, education, the built environment and being Native (Osage/Sac-N-Fox)

I am the mother of five children ages 7, 10, 11, 24 and 26. My life and lifestyle revolve around my family. You will find us making memories. We travel, explore the outdoors, and are always on the hunt to learn new things and seek out adventure. Fun Fact: We took a month-long National Park tour of the Western United States, where we visited 11 National Parks. Our next "big idea" trip is to tour our Sauk ancestral lands around the great lake regions.

Dimensions Academy (Norman Public Schools ALT ED.) – Teachers Assistant/Bus Monitor Driver

Gave lesson plans to the entire class, individually to students and in small groups. Managed 10-30 students inside and outside the classroom. Instructed and monitored students in the use of learning materials and equipment. Communicated clear objectives for all learning activities. Encouraged and monitored the progress of individual students and used information to adjust teaching strategies. Prepared required reports on students and activities. Communicated necessary information regularly to students, colleagues and parents regarding student progress and student needs. Had two 1 on 1 Special Ed. students that I taught, gave instruction, and kept data on student behavior. Observed and evaluated student's performance and development, mainly focusing on behavior data. Demonstrated preparation and skill in working with students from diverse cultural, economic and ability backgrounds. Drove 15 passenger van, dropping and picking up students.

Norman Public Schools – Indian Education Tutor

My sites were Dimensions Academy North/South, Lighthouse and Cornerstone (Alt Ed. and lock up facilities)
Established a culture for Learning through relationships and engagement. Encouraged and monitored the progress of individual Native students and used information to adjust teaching strategies. Demonstrated preparation and skill in tutoring and advocating the importance of education to Native students from diverse cultural, economic (low SES) and ability backgrounds.

Norman Public Schools - Substitute/Guest Teacher

Establishes a culture for learning through relationships. Follows and Gives lesson plans to the entire class, individually to students and in small groups. Manages from 20 to 60 students inside and outside the classroom. Instructs and monitors students in the use of learning materials and equipment. Communicates clear objectives for all learning activities. Engages students and demonstrates preparation and skill in working with students from diverse cultural, economic and ability backgrounds. My focus is Special Facilities (Alternative Education "Dimensions Academy" and lock up facilities).

COMPUTER SKILLS
