My work history consists of mostly oil & gas industry experience. I've returned to higher education to make a career change and field switch.

KEY SKILLS

Critical Thinking, Problem Solving, Customer Service, Client Relations, Project & Crew Management, Logistics, Leadership, Sales, Self-Efficacy, Effective Communication, & National Exercise Trainers Association Certified

COMMUNICATION

Communication is one of my greater strengths. Understanding how to be diplomatic with clients, subordinates, and superiors alike. Experience with client negotiations, field crew management, and customer care.

LEADERSHIP

A history of natural leadership dating back to a young age. Always willing to take charge and accept whatever challenge while facing it with humility. Possessing the ability to get the best out of those surrounding me. I seek to bring my management and leadership experience into the media production field to combine it with my desire to create and impact others positively.
