Biography:

MaxProMedia is a full service media company, specializing in video production services, engineering and rental for television, corporate video and independent film.

With over 20 years of experience, we can provide you and your company with a package tailored to your budget and needs. Whether it is a short training video to a multi camera live event or a budgeted film, we have the knowledge and the talent. Do you need technical help? We also provide engineering services from planning to build out of your technical needs. No matter if it is as simple as what gear to buy to the job or a HD control room for a multi-camera studio, we can help you.

Where did we come from?

Maximum Productions was founded in 1988 as a radio and television program producer. Over the years the market changed to include more corporate videos, sports events, and internet product. To better represent what we do as a multimedia company, the name was changed to MaxProMedia. Our talents have been used by: NBC, ESPN, CBS, Fox Sports, Metro Sports, CNN, Connecticut Public Television, PBS, Cox Media, Hornet Vision, RSU Public television, OSU Cowboy Sports, OSUCHS, ORU, OETA, TCC, LeSea Broadcasting, Oklahoma Sports Galore, MCW Sports, DAV-Com Productions, PMTV, Rod Parsley Ministries, Tulsa Community College, Jeff Williams Films, Oklahoma Pro Wrestling, Adam's Mark Hotels Video, World Harvest Ministries, Jaycee's, Phipps Video, Family Connect, The Laser Center, Blue Sky Productions,

Cherokee Casino, Oklahoma Special Olympics, Tulsa Rotary Club, Tulsa Drillers baseball, Tulsa Area United Way, Tulsa Area Schools and the list goes on...

MaxProMedia has recently created a film division to support digital filmmakers with the technical knowledge and SD or HD tools needed in the Indie Film Market. Here are some of the projects we have proudly worked on.

In 2007, Blue Sky Productions won the contract to produce the OSU Cowboy Sports Coaches shows and broadcast games for Men's and Women's Basketball, Wrestling, Softball and Baseball. MaxProMedia was there for every step.

In early 2009 Blue Sky Productions won the multi-year contract to provide the outside arena Jumbo Tron for OSU Sporting events.

MaxProMedia is proud again to team up with and support Blue Sky Productions with engineering services as well as supplying the production equipment. Blue Sky Productions has custom built a LED truck with a 16 X 9 rotating screen , remote power and production services all on a 24 foot truck. MaxProMedia provided engineering support and continued maintenance for this project.
