Summary

I am a recent graduate (2021) of the Oklahoma Film and Television Academy and I am able to travel throughout Oklahoma & Texas. As a PA, I am able to assume a variety of duties. I am very reliable, punctual, and attentive to the cast needs. I strive in a fast-paced environment, work hard and have the willingness to take on any task to support the team to help make production a success. I understand most of the paperwork and enjoy the duties as a Background PA. I even have 4 years of Background Actor/extra experience. I would like to bring my work ethics and skills to your production and learn from your experience. I've worked on several stage productions as well.
