Background:

Aloha! A native Hawaiian from Oklahoma - so yes, I'm a little different. My passion is people and finding efficiencies, whether it is in making people's day better, improving work flows, or stepping in wherevers needed to get things done. I'm very people centric, but still have a love for numbers and stressful challenges. I have produced or managed crew sizes of 10 to over 800, with budgets ranging from \$10,000 to \$6,750,000 and been a crew member on projects with budgets of \$0 to \$300,000,000. Nearly every film I was a part of was involved in tax rebates, so I have quite some familiarity when it comes to that process and audits. In college, I produced or managed hundreds of live events that were broadcasted ranging from 25-150,000 in attendance in NCAA, NFL, MLB, NBA, PGA, and wedding events. As always, I hope all is well with you and yours. Please don't hesitate to reach out with any questions, comments, or concerns. Mahalo!
