

TERRY AUSTIN

1st AC

405.532.5869

| terry.austin.crew@gmail.com |

I possess the skills needed to perform Assistant Camera responsibilities on set including prepping camera packages and testing all equipment before filming, pulling focus, formatting media, maintaining camera settings, slating scenes, lens changes, and more. In addition to being mindful of the needs of the cast and crew, I also understand how to delegate proper responsibilities to the lower-level crew within my department.

I look forward to adding value to your production.

CREDITS

Sherwood Forest | 1st AC - A Cam | September 2021

1st AC to A Cam - Prepping Camera, Lens Changes, Problem Solving, Formatting Media, Pulling Focus, Managing Load In and Load Out, Delegating Responsibilities, etc.

Reagan | Dayplayer Grip | July 2021

Assisted Keygrip and Best Boy with multiple grip duties including rigging frames, moving camera dolly, loading truck, and more.

Green Pastures Studio | TV Pilot | Grip | June 2021

Assisted Gaffer, Keygrip, Best Boy Grip and Best Boy Electric with lighting setups, running cable, building frames, setting flags/diffusion, organizing truck inventory, and loading and unloading trucks.

Green Pastures Studio | Locations Production Assistant | May 2021

Assisting the Studio in determining new locations suitable for filming. I scouted various locations, met with the appropriate contacts and uploaded the necessary information to the Oklahoma Film and Television web portal to keep on file.

OTHER WORK EXPERIENCE

5 Years as a Commercial Producer for Jordan Advertising

Worked with multiple commercial productions across Oklahoma in a deadline oriented high intensity setting - assisting in casting, location scouting, budgeting, and more.

EDUCATION

Oklahoma Film & Television Academy - Set Ready Course Slate 10

Oklahoma State University - Advertising/Marketing

SKILLS

Problem solver with a valid Class D Oklahoma drivers license (my own vehicle & clean driving record), PC and Mac knowledgeable (Microsoft Office, IOS, Google Suite, Adobe Suite, etc.), own my own DSLR and am willing to take BTS photos in association with Grip duties, speak some Spanish, work great with animals and children, and I am very confident on the phone.
