I am a recent graduate of the Oklahoma Film and Television Academy and I am able to travel throughout Oklahoma. As a PA, I am able to assume a variety of responsibilities from first team work to background PA. I would be honored to be a part of your production team.

5-6 months teachers assistant. I was there to just complete the odd jobs that needed to be done, such as restocking supplies, making sure the children were where there were supposed to be, made sure everyone was aware of the schedule and what was supposed to happen on what day, and I often moved items from classroom to classroom.
