

Christopher J. Anderson • Production Sound Mixer

chrisandersonaudio@gmail.com • (405) 226-9102

Summary

Proficient Sound Mixer skilled in capturing audio clearly for films, television, and events. I am equipped with professional quality gear. My kit includes boom, shotgun mics, wireless lavs, timecode boxes and slate, battery packs, expendables, and a Sound Devices 788t mixer/recorder.

Highlights

- Focused on what is best for the overall production
- Calm in stressful situations
- Strong communicator
- Scrupulous
- Adaptable to last minute changes and workflows
- Professional and friendly attitude
