

Bri McGhee

Oklahoma City | (918)740-7819 | brimcgee.film@gmail.com

I am not afraid of hard work. I have experience working with teams to accomplish daunting goals; whether that goal be getting through a lunch rush on a Saturday afternoon or a 15 hour filming day, I show up ready to help. I thrive when it comes to visuals and conveying thoughts/emotions with vivid imagery. I strive to always contribute my best to a project and continually learn.
