Pants - 31x34

Shoe - 8.5/9

Bio:

**When I was 10 years old, I had my sights set on the 1996 Olympics. During that 11 year journey, I became a multiple time member of the U.S. National Gymnastics team, recruited and received full scholarship at the University of Oklahoma and was poised to be in the 96 Olympics in Atlanta. My next endeavor began when in 1997 when I began my 10 year Mixed Martial Arts career. During that time, I had a record of 14 wins and 3 losses, and obtained my 2nd degree black belt in Karate. Shortly after turning 25, I began my bull riding career. Over the last 20 past years I have ridden bulls professionally and qualified for several bull riding finals in and out of the United States. During my short retirement from bull riding, I was able to win several titles outside of bull riding including and the North American Grappling Federation Championship title, but the desire never left so I came out of retirement in May of 2012 and was able to make 3 different finals that year with only having half the year to make points and money. In 2016 I was promoted to black belt in Brazilian Jiu-Jitsu. As well as riding bulls, I also competed in season 9, 10 & 11 of NBC's show American Ninja Warrior, opened a ninja warrior training facility in Tulsa Oklahoma and have set a few records, inducing the oldest person to ever qualify for PBR Velocity finals and the oldest person to qualify for the PBR Premiere series event.**

**I am the oldest professional bull rider with the elite organization in bull riding, the PBR. I am also a 20+ year IT specialist focusing on cyber security, 1 of 5 online coaches for Stall High, keynote speaker and freelance coach/trainer/speaker for several other organizations per request.**
