

CIERA RICHARDSON
PRODUCTION ASSISTANT

Piedmont, OK | 405.938.9613 | ciera.richardson@icloud.com

I am a recent graduate of the Film Crew Institute and I am able to travel through the state. As a PA I am looking to get as much experience as possible in all the various positions. I am very good at group management (especially with children), so I would work well as a background PA and ensure great collaborative control with background artists.

CREDITS

OTHER WORK EXPERIENCE

Public School Clubhouse Supervisor

Working for an elementary school, I have to be quick to problem solve and maintain control over large groups of children. While communicating with workers and administration to ensure everything runs smoothly.

Dance Instructor

While working at a dance studio, I worked the front desk which took organizational skills and enthusiasm. I also taught dance lessons and had to have great time management and leadership.

EDUCATION

The OKlahoma Film & Television Academy - Film Crew 101

Film Crew Institute - Set Ready Course

SKILLS

Driver's License (with reliable transportation), great communication, group control, and time management, works well with animals and children.
